

Documents Required for Enrollment

1. Student's and parents' asylum identity documents
2. Asylum decision where family members of concern are mentioned (in case such a document has been issued)
3. Student's Individual Health Card (A.D.Y.M.) signed by a doctor or, if not obtained yet, a solemn declaration by the parent that the document will be promptly produced
4. Vaccination booklet
5. Proof of address of residence (usually house leasing contract)
6. In order to correctly transcribe the name in Greek, while waiting for the official translation to be available, it is useful to submit a social security (A.M.KA.) number issuance form, where names appear written in Greek characters.
